**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(c)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), applicant brings to the attention of the Examiner the documents on the attached listing. This Information Disclosure Statement (IDS) is being filed after the events recited in Section 1.97(b) but, to the undersigned's knowledge, before the mailing date of either a Final action, Quayle action, or a Notice of Allowance. Under the provisions of 37 C.F.R. § 1.97(c), this IDS is accompanied by a fee of \$180.00 as specified by Section 1.17(p).

Applicant respectfully requests that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form. The listed foreign patent document was cited in a Notification of Reasons for Rejection ("Notification") from the Japanese Patent Office in a corresponding Japanese Patent Application. A copy of the Notification is also attached.

In lieu of a statement of relevance or translation of the foreign patent document, an English language version of the Notification is also attached. Applicant does not necessarily endorse the conclusion set forth in the Notification.

Applicant also notes that the Notification cites and discusses JP-10-84406 and JP-2001-267696. However, since Applicant previously cited both of these documents, neither is listed on the attached listing and copies are not provided.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicant determines that the cited document do not constitute "prior art" under United States law, Applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
